RE: Richardson Flat Monthly Status Report for June 2005

Dear Ms. Churchill:

This monthly Status Report details site activities conducted at Richardson Flat for June 2005.

Sampling Activities Conducted:

None

Results:

No results were received in June 2005.

Other Activity:

In June, Reynolds Brothers Trucking hauled 9,700 yards of material into Richardson Flat from the Park City Parking Garage project near their Marsac Building.

In addition, 3,660 yards of mine related materials were hauled from the Daly West mine area to Richardson Flat under the CUP from Park City for this activity.

Planned Activities: July 2005

It is anticipated that more material from the Park City Parking Garage will be transported to the site. United Park City Mines Company will also be transporting materials to the site from the Empire Canyon site. This will likely occur throughout the summer.

RMC will continue to work on documents and field activities as required to complete all required work at the Site.
